

The 2CGaming party is seeking an independent contractor copy editor to work with our formatting team.

Duties and Responsibilities

The copy editor will edit manuscripts to:

- maintain adherence to 2CGaming style guide, standard 5e style, Merriam-Webster, and Chicago Manual of Style
- improve readability
- ensure precision of mechanical language
- correct grammatical, spelling, and punctuation errors
- verify data for accuracy (such as average hit points, references, ability score modifiers, etc.)

Prioritized Qualifications

- Proven professional editing experience on 5e-compatible content
- 1 year professional editing experience (any content)
- Related degree in English, professional writing, or similar
- Experience editing against various style guides
- Understanding of the book layout process

Knowledge, Skills, and Abilities

- Familiarity with MW and CMoS 17th Edition
- Experience with Microsoft Word
- Ability to receive, implement, and give constructive feedback
